3 The Thrive Platform

Thrive is a digital platform that powers your job search, giving you access to the right tools, all in one place.

- Use Thrive on your computer or mobile device.
- Track your job search progress directly on Thrive.
- Build or upload your resume to see recommended job postings.
- Access labour market data to explore career paths that align with your skillset.

We're introducing **new AI-powered tools** to make your job search easier and more effective! As a part of new feature rollouts, you'll be asked a few questions about your experience. Your feedback is valuable and will help us enhance these tools for you and other job seekers.
